

[Shadow puppets assembly instructions]

1. Carefully cut the puppets from the page with adult supervision.
 2. Tape or glue a wooden stick to the back of each character.
 3. Hang a white bedsheet or large piece of translucent paper to make a screen.
 4. Place a light behind the screen. Hold the puppets between the light and the screen to cast their shadows.
 5. Put on a show!
- ↘ Be sure to ask an adult for help if you need it. For best results, take your time!
