All-new Audi A5

The invisible intent of design.

What if our most important inspirations aren’t seen but felt? At Audi, our intent is to create designs that celebrate the unseen. With the all-new 2018 Audi A5, we have reimagined one of our most celebrated modern designs to make it sportier, smarter and more thrilling each time you get behind the wheel. The new power dome on the hood speaks volumes of the potential of a new 2.0-liter 252 horsepower TFSI® engine, while the precise yet flowing design lines create dramatic surface tension in the sheet metal. The A5 is presented in three distinctive, refined body styles—Coupe, Cabriolet and Sportback, a rewarding choice for those who feel as much as they think.
We spent our sleepless nights dreaming of new forms.
Body language says a lot about you.

Sometimes how you say something is as important as what you say. While the performance of the all-new Audi A5 might speak for itself, every design detail expresses its dynamic capabilities. Sculpted fenders and a broad stance give the A5 an aggressive confidence. ... enhancements of the available S line® sport package send clear signals about its quattro® all-wheel drive pedigree.
Courage turns a line into art.

Just as racing drivers seek the smoothest path possible through a corner to optimize velocity, the bold body lines of the all-new Audi A5 maintain a sense of speed along its entire profile. The wave-design Shoulder line intimates the skillfully applied power and tremendous performance the A5 is capable of. It’s the kind of line that has the conviction to define an artistic intent.
It’s not shallow to be attracted by looks.

While we designed the exterior of the all-new Audi A5 to be attractive to everyone else, we took great care to craft an aesthetic environment for those who matter most to us: our drivers.

The dramatic shapes of the exterior are mirrored in the sweeping horizontal lines of the wing-design dash, evoking a sense of spaciousness and clarity with elegant features like integrated three-zone climate control. Along with the ergonomic interplay of the MMI® interface and yacht-style shift-by-wire gear selector, the A5 affirms that sometimes beauty inside and out can come in a single package.
Its unseen allure is experienced through touch.

Attraction may start with something seen, but its true gravity lies in the emotions it stirs. You might not notice at first how the door handle opens smoothly and the instruments light up elegantly. But when you feel the grip of the standard leather seating surfaces or available twelve-way power front sport seats, you may notice the subtle assurance that comes from functional design and enduring comfort.
Performance comes from a spark of inspiration.

Creating thrills via inspiring driving dynamics is our purpose—our motivation defines who we are. For the all-new Audi A5, we developed 252 horsepower and 273 lb-ft of torque pumping out of a powerful turbocharged 2.0-liter TFSI® four-cylinder to help bring out the corners in your commute. The seven-speed S tronic® dual-clutch transmission recalls the marque’s track lineage. Standard Audi drive select and available adaptive damping suspension help provide a nimble response for spirited driving in Dynamic mode as well as a relaxed, absorptive feel in Comfort mode to help put the driver in control of a balanced driving experience.

quattro® all-wheel drive

The innovation of quattro® all-wheel drive has helped Audi win races all over the world, but it’s not just a performance-enhancing technology: It has also become a foul-weather friend. quattro® helps optimize traction as conditions become more challenging, which translates to a more confident driving experience. On the all-new Audi A5, standard quattro® all-wheel drive does more than help give it optimal grip—it’s a part of an enduring legacy of driving performance.

A5 2.0T
252 hp/273 lb-ft

2018 Audi A5 2.0T Coupe Prestige quattro® shown in Manhattan Gray metallic with available equipment.

1 Always obey all speed and traffic laws.
The all-new 2018 Audi S5 spins up 354 horsepower and 369 lb-ft of torque via the all-new twin-scroll turbocharged 3.0-liter TFSI® V6 engine. Striking 18" Audi Sport® wheels deliver on sleek styling, while S model interior elements set a focused performance aesthetic inside. When equipped with the available S sport package, the S5 gets even more assertive with the agility-enhancing quattro® sport rear differential and sport-tuned adaptive suspension, bringing the S5 to a flash point of sport and luxury. We build cars for serious driving enthusiasts, that’s why the S5 can pass even the highest expectations.
Our instincts for the unseen.

Who we are is determined in the microseconds that comprise our response to our changing environment. Just as these instincts give us self-assurance in our endeavors, at Audi, we are dedicated to evolving our driver assistance features to help improve your confidence on the road. Our comprehensive portfolio of available driver assistance technologies can help alert you to a variety of unexpected situations on the road.

Audi pre sense® city
Standard pre sense city can help detect vehicles and pedestrians in your path and initiate emergency braking in an unforeseen event.

Audi pre sense® rear with Rear cross traffic assist and Vehicle exit assist
This available system uses sensors to monitor traffic behind the vehicle to help alert the driver to vehicles or cyclists approaching from behind while the vehicle doors are opening.
Rear cross traffic assist helps detect traffic behind the vehicle while backing out of a parking space and can alert the driver or engage braking in a variety of situations.

Audi adaptive cruise control with stop & go and Traffic jam assist
Changing the way you experience traffic, this system can help maintain a set following distance at changing traffic speeds, and can even help the driver follow traffic at low speeds with guided acceleration, braking and steering.

Turn assist and Collision avoidance assist
Available Turn assist can help in the event the driver attempts to cross traffic when there is a perceived hazard. If there is a potential collision, available Collision avoidance assist can help support the driver by providing steering guidance during a sharp maneuver.

For a complete list of Driver Assistance features, please see the Featured Highlights and Available Packages sections of this brochure for more details.

1 The features discussed are not substitutes for attentive driving. Please see your owner's manual for further details and important limitations.
2 Traffic jam assist function not available with manual transmission.
Ergonomics for the information age.

Designing access to relevant information and helping filter out distraction requires a soft touch and knowledge of human senses and design. The available Audi virtual cockpit helps put what you want to see in vibrant color on a 12.3-inch display. The innovative, fully digital instrument cluster offers three unique modes for viewing data: Classic mode, Infotainment mode and, on Audi S5 models, an additional Sport mode. Each mode strikes a distinct balance with the speedometer, tachometer, available navigation and other visuals to keep you inspired and informed. For a more hands-on approach, consider our available MMI® touch rotary controller with integrated touch-pad and intuitive two-button function keys.
Any interaction can make a powerful connection.

Audi smartphone interface
Take comfort in the familiarity of your compatible mobile device when you connect it via Audi smartphone interface. When linked with your iPhone®, Apple CarPlay™ allows you to control your iPhone® through Siri® and the car's controls to access your favorite apps such as Apple Music®, Maps, Messages and more. If you have a compatible Android device, Google™ Android Auto will connect you with Google Play™ Music, Google Maps®, Google Search and more.

Audi smartphone interface supported by Apple CarPlay™ shown with available 8.3-inch MMI® center infotainment/navigation display.

3D sound makes our vision clear.

19 speakers on Coupe/Sportback models.
20 speakers on Cabriolet models.
Learn more about the all-new Audi A5 through the Audi Library Experience.¹

A. Available ambient LED interior lighting plus package
B. Available parking system plus | Sensors in the front and rear bumpers and a selective display can help you get in and out of tight spots.
C. Available S line® exterior appearance | Distinctive S line® bumpers feature aggressive lower bumper intakes and rear diffuser, which, along with side sills, give the vehicle a sleek performance look.
D. Available head-up display | Speed, navigation and assistance systems information projected just below the driver’s line of sight.
E. LED taillights with dynamic turn signals | A stunning, dynamic LED array helps make your intentions clear to other drivers.
F. Available full LED headlights
G. Available S line® fender badges. Part of the S line® sport package.
H. Available Audi adaptive cruise control | Featuring stop & go with Traffic jam assist, this system uses radar to automatically maintain a set following distance and help drivers navigate the vagaries of traffic.²

¹ The features discussed are not substitutes for attentive driving. Please see your owner’s manual for further details and important limitations. ² Traffic jam assist function not available with manual transmission. ³ Always pay careful attention to the road, and do not drive while distracted. Message and data rates apply.
The finishing touches can help elevate a leading performance into a showstopper. Your personal flair makes an Audi truly yours, and being true to yourself never goes out of style. To help you show off your Audi pride, we offer Audi Genuine Accessories.

Audi Genuine Accessories

Attention to detail will never go unnoticed.

A. 19" 5-arm Ramus design wheel with gloss black finish
Thanks to extensive stress testing, these enduring wheels feature a weather-resistant finish with up to four layers of gloss black paint.

B. Carbon fiber side mirror
Distinctive exterior side mirror housings add a subtle sport styling to the A5.

C. Front spoiler with blade
This eye-catching lip spoiler augments the sporty character of the A5.

D. Carbon fiber rear spoiler
This unique spoiler holds down an aggressive performance look.

1 Professional installation required, please see your authorized Audi dealer for details.
A. Ski & luggage cargo carrier
This stylish cargo carrier can hold up to 165 lbs of additional cargo. With access to your gear on either side, this carrier puts your Audi pride on top and makes storage a snap. Size: 83.9”x34.3”x15.7”.

B. All-weather cargo mat
Designed to fit your A5, the raised outside edge of the cargo mat protects the cargo area from everything from groceries to muddy sports gear. Special textured material also helps control load shifting.

C. A5/SS floor mats
The all-weather floor mats feature a deep-ribbed, channeled design to protect from spills, while high-pile carpeted floor mats feature an embroidered A5 logo and help protect your vehicle’s floor from the elements. Mats are available in sets of two for front and rear.

D. Audi Sport® iPhone® 6s case
Add a sporty edge to your smartphone. Audi rings logo embossed on lower right. Black.

E. quattro® Times Square Travel Bottle
Hydrate in a New York minute with the Times Square travel bottle. The sturdy, double-wall, vacuum-insulated stainless-steel construction ensures your drink remains hot for up to 8 hours and cold for up to 24 hours. 15-oz capacity. quattro® logo. Red.

F. Audi Sport® Active Jacket
Weather the wind and rain with this ultra-light Audi Sport® jacket. You can enjoy riding in comfort, thanks to the longer back design and underarm vents that will help keep you cool. For storing small items on the go, this jacket features two slip pockets and one moisture-protected zip pocket on the back. Tight fit. 100% polyester. Audi Sport® logo on right chest and Audi rings logo on left bicep. Co-branding with Maloja®. Red.

- Heated rear seats

Warm weather package (Coupe and Sportback)
- Ventilated front sport seats with four-way power lumbar adjustment, pneumatic side bolsters and massage function for driver and passenger (deletes diamond stitching)

Audi connect® CARE assistance and security services include basic events such as towing or flat tire assistance, and offers a range of additional features for an extra fee. Fees and/or subscription required. For complete details, please visit www.audiusa.com/audiconnect. 36 U.S.A., D.C. and Puerto Rico (with coverage limitations). 7 MMI® navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle’s electrical system and existing wireless and satellite technologies must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in location addressing, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complexly detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested MMI® navigation plus route. Mapping updates are available at no charge for the first five map updates and are subsequently available on a subscription basis. 8 Always pay careful attention to the road and do not drive while distracted. See owner’s manual for further details and important limitations. 9 Always pay careful attention to the road, and do not drive while distracted. Audi connect® should be used only when it is safe and appropriate. Connect PRIME services are optional, require an active subscription with separate terms, and require vehicle mobile data connectivity. Some services collect location information and require a vehicle GPS signal; see Terms of Service for information about how to disable. Online services are subject to change; Google Earth™ and Google Street View™ services may not be available after December 2017. 10 Always pay careful attention to the road, and do not drive while distracted. The Wi-Fi® hotspot feature is intended for passenger use only. Connect PLUS features and technologies are optional, may require an additional subscription with separate terms and conditions, and should be used only when it is safe and appropriate. See materials provided by services carrier for terms, data security details. Returning device connect automatically and use plan data unless hotspot is removed from device settings. 11 INRIX XD® Traffic is available on all Model Year 18+ A3, A4, A5, A6, A7, TT, RS, SQ and Q7 vehicles and is included with an Audi connect® subscription. Other models 18+ and Q3 include SiriusXM® Traffic for four years with the purchase of the vehicle. 12 For use by law enforcement authorities only. See Terms of Service for details. 13 These tires may be less comfortable, more noisier, and wear more quickly than other choices. To avoid tire, rim, or vehicle damage, it is important that inflation pressure is regularly checked and maintained at optimum levels. High-performance tires are designed for optimum performance and handling in warm climates and are not suitable for cold, snowy, or icy weather conditions. When driving during cold, snowy, or icy weather conditions, ensure that your vehicle is equipped with appropriate all-season or winter weather tires. Tires are supplied and warranted by their manufacturer. 15 Manual Emergency Call is enabled prior to purchase or lease and does not require registration or subscription. 16 Roadside Assistance provided by an authorized third party service provider. 17 For use by law enforcement authorities only. See Terms of Service for details. 18 Always consult owner’s manual for maintenance guidelines. 19 Online services are subject to change. Google Earth™ and Google Street View™ services may not be available after December 2017. 20 Always obey speed and traffic laws. The alerts should only be viewed when it is safe and appropriate. Always pay careful attention to the road, and do not drive while distracted. Message and data rates apply. 21 Requires parking facility participation. Not available in all areas. 22 Requires Audi MMI connect app. Smartphone message and data rates apply. Do not use feature to locate stolen vehicle. 23 The alerts should only be viewed when it is safe and appropriate. Always pay careful attention to the road, and do not drive while distracted. Message and data rates apply. 24 This feature is not a substitute for attentive driving. Always pay careful attention to the road and obey all speed and traffic laws. Requires compatible traffic infrastructure which is not available in all areas. Not available on vehicles built prior to June 1, 2016. See owner’s manual for further details and important limitations.

---

1 2017 EPA estimates not available at time of printing. See www.fueleconomy.gov for details. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition. 2 Top track speed is electronically limited in the U.S. Always obey all speed and traffic laws. 3 Never drive until the tank is completely empty. The irregular supply of fuel that results from that can cause engine misfires. Uncombusted fuel will then enter the exhaust system. This can cause overheating and damage to the catalytic converter.

Note: A word about this brochure. Audi of America, Inc., believes the specifications in this brochure to be correct at the time of printing. However, specifications, standard equipment, options, fabrics, and colors are subject to change without notice. Some equipment may be unavailable when your vehicle is built. Please ask your dealer for advice concerning current availability of standard and optional equipment, and your dealer will verify that your vehicle will include the equipment you ordered. Vehicles in this brochure are shown with optional equipment. See your dealer for complete details on the Audi New Vehicle Limited Warranty, twelve-year limited warranty against corrosion perforation, and Audi 24/7 Roadside Assistance. (Roadside assistance coverage provided by Road America in the U.S. Certain conditions apply; see your dealer for details.) Tires supplied by various manufacturers. “Audi,” all model names, “Audi connect,” “Audi pre sense,” “Audi Sport,” “HML,” “quattro,” “S line,” “S tronic,” “Sideguard,” “Singleframe,” “TFSI,” “ultra” and the four rings logo are registered trademarks of AUDI AG. “Apple,” “Apple Music,” “iPhone” and “Siri” are registered trademarks of Apple Inc. “Apple CarPlay” is a trademark of Apple Inc. “Bang & Olufsen” is a registered trademark of Bang & Olufsen.
