Tire & Wheel Protection with Optional Cosmetic Coverage

Perpetuate your forward motion.

Your new Audi is precision engineered from top to bottom. We offer Audi Tire & Wheel Protection because the parts of your vehicle which touch the road are far too important to overlook. If your tires or wheels are ever damaged due to road hazards such as metal, nails, glass, debris, or potholes, we will replace them for up to seven years. Audi Tire & Wheel Protection with Optional Cosmetic Coverage offers you the additional coverage of cosmetic repair, so your new vehicle can continue to look its best for years to come.

Tire & Wheel Protection benefits:

- Replacement of a tire if structurally damaged due to a covered road hazard. Replacement of a wheel if road hazard damage prevents the wheel from sealing to the tire or maintaining the tire manufacturer’s air pressure specifications.
- A $50 deductible will be applied per replacement claim, regardless of how many tires and/or wheels are being replaced at that time.
- Approved costs associated with the replacement of tires and/or wheels, including labor charges, mounting, balancing, valve stems, and taxes.
- Covers replacement of OEM or aftermarket tires and wheels during your agreement term, if they meet the manufacturer’s size specifications.
- Reimbursement of towing expenses up to $100 per occurrence in the event of covered road hazard damage.
- Transferable for a $50 fee if you sell your vehicle to a private party. Cancelable at any time; after 30 days, subject to a $50 fee.

Optional Cosmetic Coverage adds:

- Cosmetic wheel repair for damage such as nicks and scrapes.
- Cosmetic wheel repair is limited to sanding, painting, or refinishing the wheel without the need to apply additional material or bend/straighten the wheel.
- Cosmetic wheel repair is limited to a total of eight (8) individual wheel repairs during the agreement term.
- No deductible for cosmetic repairs.

Additional benefits:

- No mileage limitations and no limit to the number of structural damage claims.

Tire & Wheel Protection with Optional Cosmetic Coverage is available only at the time of vehicle purchase as part of a Multi-Coverage Protection Option or as a stand-alone product.

Coverage exclusions may apply:
