Audi Pure Protection
Theft Protection
Just like your Audi, this one’s a keeper.

Whether on the road or at rest, your Audi will have many admirers. Unfortunately, it may also attract the attention of those with less-than-admirable intentions. We suggest protecting it from theft before the fact with the optional Audi Theft Protection program.

It offers you a theft-deterrent and identification system that helps minimize your losses, plus a Limited Warranty Benefit that gives you up to $5,000 to apply toward theft-related expenses, including the purchase of a replacement vehicle.¹

Theft Protection benefits:
- Distinctive theft-warning window decals used to deter theft
- Vehicle marked with traceable identification codes used to identify the owner of a recovered vehicle
- Up to $5,000¹ Limited Warranty Benefit if the theft-protection product fails to prevent the theft of the vehicle, and the vehicle is declared a total loss because either the vehicle is not recovered or it is recovered but damaged beyond reasonable repair (availability may vary by state)
- Coverage for six (6) years
- Transferable for a $50 fee if you sell your vehicle to a private party

The $5,000 will certainly come in handy if your vehicle is ever stolen and declared a total loss. Because if your insurer follows common industry practices, they will cover only your vehicle’s market value at the time of the theft. That leaves you responsible for other expenses such as your insurance deductible, various fees, and sales tax for your replacement vehicle.
