

How To Report

SpeakUp Introduction

SpeakUp[®] is a service enabling you to report serious breaches that would otherwise not be reported, in complete anonymity. You can do this either via the website, by using the SpeakUp[®] app or by phone, without the interference of a human operator.

SpeakUp[®] is available **24** hours per day and **365** days a year. Therefore, you can use SpeakUp to leave a message or check for a response any time.

The service is operated by a third party, **SpeakUp**, an independent Dutch company based in Amsterdam, the Netherlands, and founded in 2004. **SpeakUp** is responsible for processing all messages.
